Laurence A. Pettengill

This 1967 School District Report is being dedicated to Laurence A. Pettengill who served with distinction on the Fremont School Board for twenty-seven years. No man has ever been more devoted to seeking the best education possible for the children of this community.

FROM THE SELECTMEN OF FREMONT

We, again, wish to thank the Fremont Community Club for their generous gift of having the panels restored in the old pulpit of our OLD Meeting House.

We also would like to thank Mr. John Gieroch for making the Plaque showing the date that is now over the front door.

Another 'thank you' to Arthur Bean for the beautiful lights on the FULLER TREE at the Town Hall for Christmas; also for work on the speaker system at the Cemetery every Memorial Day.

Arthur A. Davies, Chairman
Earl F. Turner
George F. Rogers
Board of Selectmen

WE THANK YOU!

The Historical Society of Fremont should be commended for the nice job they did cutting the bushes and cleaning up the Currier Cemetery. This is a job well done and WE ALL THANK YOU.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Fremont on Tuesday, the Twelfth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the report of the Budget Committee and to take such action as the Town deems necessary.
4. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for the purpose of reconstructing "Bogs Bridge", on the Sandown Road.
5. To see if the Town will vote to transfer \$4,001.56 from the Capital Reserve Building Fund to apply on the cost of "Bogs Bridge" reconstruction.
6. To see if the Town will establish a Town Conservation Commission as set forth in R.S.A. 36-A.

7. To see if the Town will vote to raise and appropriate \$200.00 to paint the East side of the Old Meeting House.

8. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for acquiring the Seavey land to extend Fremont Village Cemetery and provide public land for conservation and recreational use.

9. To see if the Town will vote to raise and appropriate \$200.00 for the repair and maintenance of the Town Hall.

10. To see if the Town will vote to raise and appropriate \$100.00 for refinishing the Library floor.

11. To see if the Town will vote to authorize the selectmen to sell at Private Sale or Public Auction property acquired by Tax Collector's deed.

12. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

13. To see what action the Town will take by ballot on the following question: "Shall the provisions of Chapter 171-A of the revised laws relating to Beano be adopted in Town?"

15. To transact any other business which may legally come before the meeting.

Given under our hands and seal this 6th day of February, in the year of our Lord nineteen hundred and (68) sixty-eight.

Arthur A. Davies
George F. Rogers

Earl F. Turner

Selectmen of Fremont

A true copy of Warrant—Attest:

1967—REPORT OF THE FIRE WARDEN

“ONLY YOU CAN PREVENT FOREST FIRES”

Smokey, the Bear needs your help in eliminating the tragic waste caused by forest fires. Smokey personally knows the horror of fire. Smokey is an actual bear now housed at the National Zoo in Washington, D.C.

As a tiny cub, he was one of the few survivors of a raging forest fire which swept Lincoln National Park in New Mexico some years ago. Started by careless smokers, the fire destroyed over 15 million board feet of lumber. Rescued by fire-fighters, Smokey was nursed back to health to become the famous ‘protector’ he is to day.

Since 1945, Smokey has been the symbol of the Forest Fire Prevention Campaign. He is the only advertising symbol protected by a Joint Act of Congress and has prevented tens of thousands of dollars in Forest Fire damage since the beginning of his “Career.”

The fact is, that a great need for forest fire prevention still remains. Won't you do your part? Won't you help Smokey by being extremely careful with matches, cigarettes and fires whenever you are in America's beautiful forests? **HELP STOP THESE FIRES!** Keep Smokey's warning in mind at all times.

REMEMBER:

“ONLY YOU CAN PREVENT FOREST FIRES.”

I would like to thank all the people who helped to keep our forest fires small in 1967. We had a very fine year, with only 3 fires which only a few square feet

burned. The weather has helped to keep them down.

I hope every one who has Burning to do will burn early because as soon as the snow is gone and the ground gets dry, permits will not be issued only on rainy days.

You still will have to get a permit any time you burn out of doors. No burning after the snow is gone between 9 a.m. and 5 p.m.

Respectfully submitted,
Clarence Philbrick
Forest Fire Warden

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 a.m. - 5:00 p.m. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.

REPORT OF THE FIRE CHIEF

In submitting my annual report as Fire Chief, it is a pleasure to say that the year of 1967 was a very successful one.

The worst fire we had was the night the lightning struck Arthur Bean's house. The firemen did a wonderful job.

We were called out 18 times. We had one false alarm. We were also called out of town four times; Raymond, 3 times - 2 house fires and one brush fire and Epping once for a house fire. We also wen to Brentwood in July to 'stand by' at their fire house.

LIST OF CALL-OUTS IN 1967

Jan. 11 — Mrs. Webbers - Gas Stove
Feb. 13 — House fire at Raymond
Mar. 14 — False Alarm
April 17 — Mr. Taylor - Oil Stove
April 21 — Dillingers - Grass Fire
May 14 — Dump Fire
June 16 — Bessie's Lunch - Rubbish Barrel
June 17 — Brush Fire in Raymond

June 29 — Andy Townsend - Rubbish in Garage
June 30 — Mill - Sawdust Blower
July 3 — Brentwood 'Stand-By'
July 9 — Riverside Drive - Boat Fire
July 19 — Arthur Bean, House
Sept. 6 — House Fire in Epping
Oct. 4 — Sandown Road - Space Heater
Oct. 14 — Mrs. Webber - Lost Boy
Nov. 12 — House Fire in Raymond
Nov. 13 — Old Danville Road - Brush Pile
Nov. 13 — Page - Truck Fire

We had a very good Carnival even with all the poor weather. Everyone who worked on the Carnival did a fine job. THANK YOU.

In ending this report, I want to thank all the firemen in the Fire Department and all others who helped to make last year a GOOD YEAR. I hope we can make 1968 as successful as 1967 and with perhaps fewer fires.

Respectfully Submitted

Clarence Philbrick
Fire Chief

REPORT OF THE POLICE CHIEF

I am sorry to state that in last year's report a very serious accident was not reported. On March 6th, 1966, Erin Sargeant, age 4, daughter of Mr. and Mrs. Brooks Sargeant, was struck by a car in front of her house. She was taken to the Massachusetts General Hospital where she died on March 11th.

There were several car accidents in the year of '67 but fortunately none were serious.

One child was lost but found with the help of towns-people, police and fire-departments.

There were five 'breaks,' all of those responsible were apprehended with the exception of two. Also one attempted rape which case is now going through the process of the Courts.

I am very proud to let our towns-people know that one of our Deputy Police, Raymond Thomas, graduated from the Law Enforcement School on January 21, 1968. Out of a class of 150, he was the oldest Policeman to graduate. He took this course at his own expense. The next session of this School will start in April and I am hoping that Chief of Police, Joseph Bolduc and Harold Davies will enroll at that time.

I would again like to thank the teen-agers for co-operating with me and also my deputies deserve a great deal of praise for the fine way they have supported me.

Respectfully Submitted

Joseph G. Bolduc

Chief of Police

REPORT OF THE HEALTH OFFICER

I had to inspect a lot of septic tanks for trailers and made a trip to Concord to find out about this new law on Water Pollution, for this reason the Health cost to the Town was more than in the past few years.

Also the river water is all purified in the Town and all complaints have been corrected.

Steward Carmichael
Health Officer

School Warrant For 1968

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Fremont qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March 1968 at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

5. On petition of ten legal voters (and more): We the voters of the School District of Fremont request that the following article be placed in the Warrant for the Annual District Meeting: To see if the District will raise and appropriate a sum not to exceed \$28,000 for the purpose of constructing a one-room addition and making necessary alterations in connection with this addition; and to authorize the School Board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this

addition to the Ellis School. And in order to provide such funds to authorize the School Board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and to delegate the school board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

6. To see if the School District of Fremont will vote to establish a capital reserve fund for school building purposes, those funds to be made available at such time as the district may decide to build or, add to their present facilities; and to see if the district will vote to permit the school board to contribute to this reserve fund any surplus money that might be available at the close of this school year.

7. To transact any other business which may legally come before this meeting.

Give under our hands at said Fremont this 24th day of February 1968.

SCHOOL DISTRICT MEETING

FREMONT, NEW HAMPSHIRE

MARCH 13, 1967

At the School District Meeting held in the Fremont Town Hall, Fremont, County of Rockingham, State of New Hampshire, on the thirteenth day of March, 1967, at eight o'clock in the afternoon, business was transacted as follows:

At 8:00 P.M. the School District Moderator, Mr. Robert Horsburgh, called the meeting to order and read the warrant and the certificate of posting. The articles were taken up in the following order.

ARTICLE 1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

Mr. Walter Turner explained the rise in School District Officers' salaries. Mr. Walter Turner made the motion that the sum of \$545.00 be accepted. The motion was seconded. The ayes have it and the motion was carried.

ARTICLE 2. To hear the reports of Agents, Auditors, committees, or Officers chosen, and pass any vote relating thereto.

Mr. Walter Turner moved that we accept the reports as presented in the Town Report. Mr. James H. O'Connell seconded the motion. The ayes have it and the motion was carried.

ARTICLE 3. To choose Agents and Committees in relation to any subject embraced in this warrant.

As there is nothing specific to take up at this time under this article, Mr. Walter Turner made the motion

that this article be laid on the table. Mrs. Shirley Townsend seconded the motion. The ayes have it and the motion was carried.

At this point Mr. Walter Turner moved that we change the order of articles and take up Articles 7, 5, 6, 4, 8, 9, 10 in that order. Mr. Horsburgh asked if there were any objections to this proposal. No objections, so went to Article 7. Mr. Horsburgh read Article 7.

ARTICLE 7. To see if the District will raise and appropriate a sum not to exceed \$31,000.00 for the purpose of constructing a one-room addition and making necessary alterations in connection with this addition; and to authorize the School Board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this addition to the Ellis School. And in order to provide such funds to authorize the School Board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and to delegate the School Board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

Discussion followed. There were questions about transportation, taxes, etc.

Mr. Thyron Young made the motion to build the new room. Mr. George Rogers seconded the motion. Mr. Metevier questioned. More discussion followed.

Mr. Balestra made the motion to move on Article 7. Mr. Horsburgh read Article 7 again. Mr. Wilson, School

Superintendent, counseled to read the motion. Mr. Walter Turner read the motion: I move that the Fremont School District raise and appropriate a sum not to exceed \$31,000.00 for the purpose of constructing a one room addition and making necessary alterations in connection with this addition; and to authorize the School Board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this addition to the Ellis School. And in order to provide such funds to authorize the School Board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and to delegate the School Board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

At this time discussion as to per pupil cost. Mr. Healey said the cost of education over ten years not possible, that is the cost as put forth in proposed school budget with grades 7-12 going to Sanborn Regional. Mr. George A. Bassett spoke further on this and the anticipated tax burden.

Mr. Thyou Young made the motion that we have a secret ballot. The motion was seconded. A paper ballot was used with checklist of voters.

Mr. Robert Horsburgh announced the results of the balloting.

Total Number of Votes Cast - 123

Yes Votes - 56; No - 77

Necessary for passage two-thirds or 82 votes; Article 7 is defeated.

ARTICLE 5. To see if the Fremont School District will vote to authorize the Fremont School Board to discontinue providing a seventh and eighth grade education at Ellis School and further to authorize the Fremont School Board to make all necessary arrangements to send these two grades to the Sanborn Regional Junior-Senior High School.

Someone said, "Well, we have no choice as long as we voted down Number 7."

Mr. Walter Turner read the motion, "I move that the Fremont School District authorize the Fremont School Board to discontinue providing a seventh and eighth grade education at Ellis School and further to authorize the Fremont School Board to make all necessary arrangements to send these two grades to the Sanborn Regional Junior-Senior High School."

This motion was made and seconded. The ayes have it.

ARTICLE 6. Mr. Walter Turner, "I move that the Fremont School District appropriate the sum of \$5,000 to provide transportation for all high school pupils (grades 9-12) who attend Sanborn Regional High School."

The motion was seconded by Shirley Townsend. The ayes have it.

ARTICLE 4. Mr. Turner read the motion, "I move that the Fremont School District raise and appropriate \$151,253.00 for the support of schools, for the payment of salaries for the school district officials, and agents, and for the payment of the statutory obligations of the district."

Discussion followed. Mr. Bassett inquired as to total that would have to be raised by taxation.

Mr. Andrew Townsend made the motion; Ellen Horsburgh seconded. The ayes have it and the motion is carried.

ARTICLE 8. Mr. Turner read the motion, "I move that the Fremont School District accept \$500.00 from Mrs. Albert G. Fuller and to authorize the school board to spend such funds to construct a ballfield in the name of the late Albert G. Fuller."

Motion by Mr. Townsend; Mr. O'Connell seconded. They ayes have it. The motion was carried.

ARTICLE 9. Mr. Turner read the motion, "I move that the School District of Fremont authorize the School Board to use any unencumbered balance of the 1966-67 school district appropriation to reduce Fremont's school building principal of debt." The motion was seconded by Mr. Charles J. Townsend. The ayes have it and the motion was carried.

ARTICLE 10. On the petition of Freddie LeClair and ten others: To see if the District will vote to discontinue and relinquish to Freddie LeClair and Rowena LeClair any right which it may have to a right-of-way over the land of Freddie LeClair and Rowena LeClair and to empower the School Board to execute such documents as may be necessary.

The motion to discontinue and relinquish any right which the School District might have to a right-of-way over the land of Freddie and Rowena LeClair to Freddie LeClair and Rowena LeClair was made by Mr. Charles Hutchins; motion was seconded after discussion. Voice vote and the ayes have it. The motion was carried.

ARTICLE 11. To transact any other business which may legally come before this meeting.

Mr. Horsburgh asked if there was any other business. Mr. Wilson introduced Assistant Superintendent Frank Games.

The motion was made and seconded to adjourn the meeting. Mr. Horsburgh declared the meeting adjourned at 10:10 P.M.

Florence C. Turner
Clerk of the Fremont School District

The foregoing is a true copy of the record—Attest:

Florence C. Turner
Clerk of the Fremont School District

REPORT OF THE SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1966 to June 30, 1967

SUMMARY

Cash on Hand July 1, 1966	
(Treasurer's bank balance)	\$ 79.45
Received from Selectmen	
Current Appropriation	\$ 89,266.40

SUPERINTENDENT'S REPORT

It is a pleasure to submit my sixth annual report to the citizens of Fremont.

Uppermost in our minds this year is the question of whether or not Fremont should continue to send its 7th and 8th grade pupils to Sanborn Regional Junior-Senior High School.

In my report to you a year ago I encouraged you to seriously consider accepting Sanborn Regional's tuition proposal — my feelings have not changed. In fact, I am now more than ever convinced that your decision was a wise one. I hasten to add, however, that there is no question whatsoever that the cost is greater under the tuition plan than it would be if you were to build an additional room to Ellis School and return these pupils to Fremont.

A quick estimate would indicate that Fremont could save approximately \$2,400 next year by building; assuming, of course, that the cost of this construction (\$28,000 — petitioned article in the warrant) is paid off in four years, and that transportation for grades 9-12 to Sanborn Regional is continued.

Therefore, the problem this year is not far different from the one you had to face last year. Is it worth the extra money to have your 7th and 8th grade children receive the type of education Sanborn Regional is providing — a comprehensive program Fremont could never hope to duplicate locally, regardless of cost?

Your school board and Superintendent of Schools have taken a stand — now it is once again your turn.

Staff changes continue to be rather numerous — a fifty per cent turnover this past year. Mrs. Selma Shaw returned to Fremont and replaced Miss Montminy in

Grade 2. Mrs. Barbara Bassett, a graduate of Cornell University, replaced Mrs. Morrione in Grade 3. Mrs. Helen Seavey of Fremont, a graduate of Plymouth Normal School, replaced Miss White in Grade 4. Small towns such as Fremont are rapidly becoming teacher training grounds, and stepping stones to the larger, better paying communities.

This report would be incomplete without mentioning the overall work in curriculum development and classroom supervision and evaluation taking place in Union No. 14. In this area we are most fortunate to have an assistant superintendent devoting considerable time to this most important aspect of education. The following material was taken from one of his progress reports.

Assistant Superintendent Frank Games states that in the field of elementary curriculum revision a reading workshop was held for all first and second grade teachers of the Union. A careful examination of the existing textbooks and materials was made. As a result of this workshop a new reading series with three levels was adopted. Such a move requires several years of budget consideration and with the proper years of depreciation being allowed to the textbooks on hand. The present textbooks are adequate for the average reader, but lack the proper motivation for the enrichment of the talented pupils as well as for the remedial group who have reading disabilities.

School readiness of the pupils entering the first grade is receiving more and more study by educational consultants. During the summer of 1967 we had twenty-six pupils attending the Headstart programs in Exeter, Raymond, and Derry. Our principals are now evaluating the effect of Headstart on our pupils to see what impetus this program has when it is related to school success.

A handbook for parents was issued in May to cover all pupils who were planning to enter the first grade in September. This, combined with the school visitation, hopefully gave an orientation to the new pupils as well as to the parents. Early in the school year a guide was sent home for first grade parents to fill out. It required a thoughtful description of many activities and skills that could aid the teacher to understand the individual child. We were gratified that all parents co-operated in this time-consuming questionnaire. It has been a source of information, a resource for parent-teacher conferences, and a research instrument for the guidance of the school administrators. Next year, it may be revised based on the experience of the present school year.

It now appears that the Federal government will be a permanent partner in the support of elementary and secondary education. Recent directives indicate the amount allocated to any program must have a total budget of over \$2,500. This means that several towns in our union must join together since the total grant for each of the towns is less than \$2,500. We are seeking to involve the principals in programs that serve real needs in their schools, rather than crash projects to utilize money that is available. It is our philosophy that more flexibility should be given to the nature of the Title I projects which bases the allocation on the economically deprived children of the school district. At this time, most of the money is being used to develop remedial programs in reading or for special help classes where we have educationally deprived pupils. (In keeping with the above plan, Fremont now has a part-time remedial reading teacher. She is shared with Brentwood as a joint project. Here time is spent in the first three grades trying to help those children who have serious reading problems. More help is needed in this

all-important area, but at present, funds are not available.)

Mr. Games further states that the Title II projects for improving elementary classroom libraries, reading materials, and facilities for centralized secondary school libraries is meeting a vital need in all our school districts. The teachers as well as the principals have carefully weighed their requirements to make each dollar purchase some needed item.

In conclusion I wish to thank all members of the Fremont School Board for their understanding and consideration. These help to make a difficult job more pleasant.

Francis C. Wilson
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools,
School Board, and Citizens of Fremont:

As this is my first full annual report, I take this opportunity to review the Health Program and some of the things I was able to accomplish this past year, along with some statistical reports.

DENTAL

Each year a Dental Clinic is sponsored by the Fremont PTA in conjunction with the New Hampshire Department of Dental Health which supplies the matching funds for the program.

In addition each year the pupils in Grade 3 participate in a special dental program sponsored by the makers of Crest toothpaste. The purpose of this program is to encourage proper brushing of the teeth.

This past year we were also fortunate in obtaining the services of a dental hygienist from the New Hampshire Department of Dental Health for a dental educational program for students in grades 1-8. This program included instruction in the proper brushing and care of the teeth; how and why tooth decay occurs and how to prevent it; along with proper dental nutrition.

SAFETY

Statistics tell us that in New Hampshire and the entire United States, the leading cause of death in people ages 1-29 is accidents. We were privileged to have a "Fire Prevention and Safety Program" sponsored by the New Hampshire Division of Resource Development and presented to grades 1-8 by the law enforcement officer.

OTHER

Other special health instruction classes included per-

sonal hygiene, and tuberculosis testing.

PRE-SCHOOL READINESS PROGRAM

The pre-school readiness program is a many-faceted program. It includes the following:

1. Registration for school in September.
2. Guidance questionnaire. (This gives us a better understanding of your child. Is he shy, aggressive, self-conscious, does he mix with others, etc.)
3. **HEALTH HISTORY.** This is very important, especially if there are any deviations from normal health i.e., diabetes, epilepsy, allergies to bee stings, etc.
4. **EYE SCREENING TEST.**
5. **HEARING SCREENING TEST.** (If adequate space and quiet is available.) The first steps in Education are the most important. A child with an undiscovered hearing or vision problem could fail in comprehending his teacher's instructions and set a pattern of failure early in his school life.)
6. **HEIGHTS AND WEIGHTS.**
7. **DENTAL EXAMINATION.** A dental hygienist examines each child and gives dental instruction in brushing and care of the teeth to both mother and child, along with a free toothbrush.
8. **DOCTOR'S READINESS EXAMINATION.** This is not a physical examination. The child will not fail if he has flat feet. This is his family doctor's responsibility. We are interested in his emotional age level. Is he ready for school? What is his vocabulary understanding? Has he a speech problem, or does he have other problems such as being over-active that might interfere with his ability to perform in the classroom.
9. **PARENT-TEACHER CONFERENCES.**

Statistical Report

Pupils examined by a doctor (pre-school exams)	21
Immunizations	

(flu shots for school personnel only)	16
Tuberculosis tests	96
Chest X-ray	2

	No. Pupils	No. of Defects found	No. seen and treated

Sight Conservation Program (financial aid)	6	6

I wish to thank one and all for their support and cooperation; the Superintendent of Schools, School Board, Principal, Teachers, Parents, and others who have helped in so many ways to make this program possible.

We in health need your continued help if we are to meet the needs of our growing school population.

Respectfully,
Lora L. Lavoie, R.N.
School Nurse
